

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The claims have been carefully amended to avoid the introduction of new matter and to cure the §112 problems.

Since there is no art rejection and the formal problems have been overcome, the application is in condition for allowance and passage to issue.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this case, the examiner is invited to call the undersigned to make the necessary corrections.

Respectfully submitted,  
K.F. Ross P.C.
